ABOUT ME

I'm a 1st year Digital Media student with a main focus on Digital Design, Branding, and Photography.

I've got over 3 years experience through big to small projects, events at highschool as a designer a nd photographer. I also have a huge passion in hand-lettering and calligraphy, I love playing with grid system and publication design is also my strength. I do lots of bullet journal, too.

I'm very happy to recieve any creative collaboration and freelances.
